Profile- Librarian

Dr. K. Sudha holds a Ph.D., M.Phil., M.L.I.Sc., and M.Com. She currently serves as a Librarian at SSM Institute of Engineering and Technology in Dindigul, Tamil Nadu, bringing 18 years of experience in Library Science, specializing in Automation and Information Retrieval Techniques. Dr. Sudha is an accomplished author, having published 3 books on Spiritual and Child Psychology. Her achievements include winning the State Level Quiz competition in Library & Information Science and securing the Runner-up position in a District-level Chess competition. Additionally, she was awarded a Silver Medal for completing the NPTEL Course on "Developing Soft Skills and Personality." Dr. Sudha is an active member of the Delhi Library Association and the Indian Academic Library Association (IALA) in Bangalore.

She is actively involved in coordinating cultural activities and promoting Tamil language and literature through the Tamil Mandram. Additionally, she plays a significant role in motivating and training students for debates, speech, and essay writing competitions, fostering their skills and participation in these intellectual activities. Being an Editorial Board Member of College Magazines indicates her involvement in the creative aspect of showcasing students' work and contributing to the college publications. Also, she participates in webinars and workshops to stay updated on the current trends and developments in the library field.
